## MEMORANDUM

TO: Board of Health Members  
FROM: Kristen Patterson, MHA  
Health Director  
SUBJECT: Board of Health Meeting

The results from an email sent on June 10th to the Board of Health members concluded that the majority felt that it would be better to continue in the manner that they are operating in now by receiving the packets as usual and approving lab fees/receipt of funds, or any other agenda items that may need approval by way of email due to restrictions placed on mass gatherings as a result of the COVID-19 pandemic. ***For more information, please call Sharon Alford at 277-2470, ext. 4445.
