

Public Health
EveryWhere. EveryDay. EveryBody

The Scotland County Board of Health and staff of Scotland County Health Department are pleased to present the annual report for fiscal year 2010-2011.

The numbers in this report reflect many, but not all, of the accomplishments and services provided by the Health Department to help prevent the spread of communicable diseases, promote positive health behaviors, reduce poor health risks and provide for a safe, clean and healthy environment. Highlights include:

- SCHD went “live” with State Vital Records
- Transitioned to Pregnancy Care Management and Care Coordination for Children
- Provided “late” clinics to include WIC, Family Planning, etc.
- Provided Diabetes Education Recognition Program—Cohort IV
- Participated in local and regional Preparedness and Response exercises
- Completed 2010 Community Needs Assessment in collaboration with hospital
- Completed State of the County Health Report for 2010
- Kid Care TV Network installed
- Animal Control Ordinance updated
- LED Signage to promote services and PSA's
- Provided Newspaper and Radio PSA's monthly
- QI 101 Streamlining record system
- Scotland County Healthy Carolinians earned Re-certification for 2011-2015
- Began process for Reaccreditation for Spring 2012
