

Notice

The Scotland County Register of Deeds Office would like to announce that on November 4, 2009 we will be advancing our index search software to Resolution 3. We will be utilizing the latest Microsoft.NET technology for fees, indexing, imaging and search. Resolution 3 software provides increased flexibility, greater operational efficiency, ease of use for even the novice computer user, outstanding performance, greater stability and definitive accuracy.

Our vendor, Cott Systems, Inc will provide trainers to demonstrate and answer questions for professional searchers and the general public.

Where: Conference Room
Scotland County Administrative Offices
507 W. Covington St.
Laurinburg, N.C. 28352

When: November 2, 2009
10:00 A.M. & 2:00 P. M.

We encourage you to attend one of these training sessions. If you should have any questions please do not hesitate to ask and we will be happy to assist you.
